url <http://www2.gsu.edu/~matpxp/math1070.html>

SCHEDULE

- Dr. Sargent* Digital Tutors
1:00 –1:10 The Study is a replication of a pilot conducted in Spring 2009. A brief summary will be given and various information regarding instructors participation.
- Dr. Punoševac* Beggining of the Semester
1:10 –1:25 The Spring semester of 2010 is around the corner. We will try to share all relevant information which shuld help you to start the semester smoothly.
- Dr. Chen* MILE II
1:25 –1:50 The MILE, located in 301 Urban Life Building, was created to support the redesign of the delivery of Math 1111 and Math 1113. The Department is in the midst of creating MILE II which will used to deliver Math 1070 in the similar fashion.
- Questions
1:50 –2:00 Feel free to ask anything or to bring any concerns that you might have regarding teaching Math 1070 in the Spring semester or transition to MILE II

January 6, 2010
